Dear FCC,

I am appealing USAC Administrator's Decision on Appeal – Funding Year 2006-2007.

FRN 1382817 Denied CC Docket No. 02-6.

I was just informed I made a mistake by filing the Form 470 for Funding Year 2006-2007

I did not need to file a new Form 470 since we were under
Form 470 Application # 167250000473458 dated 11-25-03.

Please advise me on **how** to eliminate Form 470 Application # 2043 10000554810

And use Form 470 Application # 167250000473458.

We are a very small library and this ruling is very detrimental to **us**.

Thank you.

Sincerely,

Marjorie Fruge
Library Director
